Name of Clinical Rotations Interested in (unlimited):	
In what language(s) are you sufficiently FLUENT to conduct therapy or conduct research activities such as interviewing research participants?	

[COVER LETTER TEMPLATE]

Dear Members of the Admissions Committee:

I am applying to the following Track(s):

HEALTH PSYCHOLOGY/BEHAVIORAL MEDICINE TRACK _____
and/or
OBESITY Clinical Research _____

Please Note: Only applicants with a **demonstrated track record in obesity-related research or closely related field** will be considered for the Obesity Clinical Research track.

Below please find, in order of preference, 1 to (no more than) 3 faculty members in my indicated track with whom I am interested in working for my research placement along with information about why I am interested in these research projects. **[Listing of available placements can be found on the website under Health Psychology/Behavioral Medicine Track Research Placement Rotations.]**

[INSERT TEXT]

Below please find which of the rotations in the BMED track that I am most interested in, along with information about why I am interested in these particular rotations. **[Listing of available clinical rotations can be found under Clinical Rotations – Health Psychology/Behavioral Medicine Track.]**

[INSERT TEXT]

Please feel free to tell us about how your lived experience has contributed to your research or clinical development in the essay section of the application.

Sincerely,
