

Dear Members of the Admissions Committee:

I am applying to the following:

NEUROPSYCHOLOGY TRACK ____

Below please find, in order of preference, 1 to (no more than) 3 faculty members in my indicated track with whom I am interested in working for my research placement along with information about why I am interested in these research projects.

[INSERT TEXT]

I am interested in one (or more) of the following rotations:

- ____ **Butler Hospital - Psychiatric Neuropsychology**
- ____ **VA Medical Center - Medical Neuropsychology**
- ____ **RI Hospital - General Medical Neuropsychology**

With regard to your neuropsychological work done in practicum settings; please tell us how many of the following types of clinical neuropsychology experiences you've had:

- ____ **Comprehensive neuropsychological assessment batteries you administered and wrote reports for in clinical contexts (*i.e., complete evaluation done to address a referral question*)**
- ____ **Neuropsychological evaluations in which your role was restricted to writing the report (*i.e., the tests were administered and scored by someone other than you*)**
- ____ **Neuropsychological assessments and reports done for research purposes (*i.e., not for clinical care*).**

[INSERT TEXT]

With regard to your graduate school course titles, please tell us what courses (title and number) listed on your transcript addressed the following content areas listed below. We DO NOT expect you to have had coursework in all of these areas. Also, we recognize that these are overlapping categories and one course may include more than one topic area.

(a) Neuropsychological assessment:

(b) Neuroanatomy:

(c) Neurophysiology:

(d) Brain-behavior theory:

(e) Psychopharmacology:

(f) Developmental disorders:

[INSERT TEXT]

In what language(s) are you sufficiently FLUENT to conduct therapy or conduct research activities such as interviewing research participants? _____

Please feel free to tell us about how your lived experience has contributed to your research or clinical development in the essay section of the application.

Sincerely,
